OCEANFRONT LUXURY, REDEFINED.

Oceanfront Luxury, Redefined.

4 BEDROOMS + DEN | 4.3 BATHROOMS | 3 CAR GARAGE | 6882 SQ FT | 1.2 ACRES

An oceanfront estate of unparalleled sophistication, 2280 Beachside unites bespoke design, luxurious space, and breathtaking ocean views. Custom designed by world renowned architect Errol Addels, this remarkable home effortlessly blends timeless style with thoughtful, design-minded choices to create a property as functional as it is beautiful. From the two-story foyer + gallery to the showstopping glass conservatory, spectacular attention to detail shines at every turn.

Surrounded by 1.2 acres of lush greenery and rare healthy beach, the intentional design of the residence maximizes natural light and ocean views. Indoor and outdoor living merge seamlessly with multiple open air lanais, private terraces and ocean view pool + spa. Form unites with function with the home's unrivaled build caliber, lighting + sound design, and finishes selected for longevity in a humid, oceanfront climate. Constructed to far exceed even the most stringent build code, residents enjoy tremendous peace of mind and a sustainable, forward-thinking approach to coastal living.
